- (1) Number does not include issuers listed on NYSE Arca. There were 12 operating companies exclusively listed on NYSE Arca as of September 30, 2006.
- (2) Number of listed operating companies, closed-end funds and ETFs as of period end.
- (3) Includes initial public offerings, quotations and transfers from other markets of common equity securities.
- (4) Includes all NYSE Group Crossing Sessions 1, 2, 3 and 4.
- (5) Represents the total number of shares of equity securities and exchange-traded funds (ETFs) executed on the NYSE Group's exchanges.
- (6) Represents the total number of shares of equity securities and ETFs internally matched on the NYSE Group's exchanges or routed to and executed at an external market center. NYSE Arca routing includes odd-lots.
- (7) Data included in previously identified categories.
- (8) Includes trading in U.S. equity options contracts, not equity-index options.
- (9) Represents the NYSE Group share of qualifying trades for Tapes A and B reported by the NYSE Group to the consolidated tape, as compared to the total number of qualifying trades for Tapes A and B reported to the consolidated tape by all other participating market centers. NYSE Group share of Tape C represents the average of: (i) the share of qualifying trades for Tape C reported by the NYSE Group to the consolidated tape, as compared to the total number of qualifying trades for Tape C reported to the consolidated tape by all other participating market centers; and (ii) the share of qualifying share volume for Tape C reported by the NYSE Group to the consolidated tape, as compared to the total qualifying share volume for Tape C reported by all other participating market centers. The consolidated tape refers to the collection of market data that multiple markets make available on a consolidated basis.
- (10) Gross FOCUS revenues represent revenues generated by member broker-dealers as reported on their "FOCUS" report (a report that is required to be filed with the SEC). A member broker-dealer's regulatory fee is based on the revenues reported. The NYSE records revenue on a six-month lag; the data is provided on this basis.
