

**Date:** February 3, 2009

**Audience:** All NYSE Amex Options Participants

**Subject:** Launch of New NYSE Amex Options Trading Floor and Systems Extended to March 2, 2009

**Summary:**

The anticipated transition of the NYSE Amex options trading floor to 11 Wall Street and the launch of the new electronic system has been extended until Monday, March 2, 2009. The date change is part of an effort to ensure that all NYSE Amex Options market participants are adequately prepared to begin trading on Monday, March 2, 2009. The revised date takes into consideration the preceding expiration week and should alleviate any additional trade data concerns resulting from the February expiration.
