Subject: NYSE Arca Outage Update

On Wednesday, June 11th, NYSE Arca experienced service interruptions on NYSE Arca Equities due to a failed network connection from 3:48:00 ET - 3:49:29 ET.

The NYSE Arca Options experienced service interruptions due to a failed network connection from 3:48:00 ET through the close.

The problem that caused the network failure has been diagnosed and corrected. We apologize for the inconvenience this outage caused and thank you for your continued support of NYSE Arca.

Please contact your Sales Representative or the NYSE Arca Trade Support Desk if you have any additional questions at 888.513.9873.
