Subject: U.S. Equities Newsletter – Volume 1 2009

Summary:

Welcome to the first addition of the U.S. Equities newsletter for 2009, a publication presented to you by NYSE Euronext.

http://www.nyse.com/pdfs/6728_Newsletter_Vol1_2009.pdf

This month's newsletter includes the following topics:

- New Market Model Updates
- Precious Metals Incentive Program
- NYSE Arca Europe
- Real-Time Last-Sale Data
- Co-Location Update
- Universal Trading Platform Milestones
- NYSE Amex Opening Auction
- IOI Functionality

Whether it's enhancements to existing trading technology, new order types, changes to our market structure or new market data products, you can find it here.

If you have questions regarding NYSE Euronext U.S. cash products or suggestions for future editions of the newsletter please contact your Relationship Manager.
