

Date: March 26, 2009

Audience: All NYSE Arca OTP Holders

Subject: Consolidated FIX Spec

Summary:

Please note that the FIX Specification for Complex Options has been removed from the website. FIX connectivity users should reference the Consolidated NYSE Arca FIX Specification for ALL available order types and functionality, including the Complex Order Book on the NYSE Arca Options platform.

The NYSE Arca FIX Specification can be found at http://www.nyse.com/pdfs/FIX_Specification_and_API.pdf

Contact Info:

Inquiries regarding this memo may be directed to the FIX team at connectivity@nyx.com or clients can contact the Connectivity Help Desk at 888 689-7739
