Audience: ATP Order Sending Firms

Subject: Configuring FIX session for GTC orders

Summary:

Firms wishing to add the Good Till Cancel (GTC) property to their NYSE Amex FIX session(s) can be set up on an overnight basis by making their request to the connectivity team. Firms will need to identify the FIX session(s) they want to add the GTC capability to.

Please note that firms sending GTCs to NYSE Amex will be required to conform to the rules found in section 3.5 of the FIX spec.
