

**Date:** February 27, 2009

**Audience:** NYSE Arca and Amex Options Traders

**Subject:** NYSE Liffe Order Routing System Available to NYSE Arca Options Traders

**Summary:**

NYSE Euronext is pleased to announce that on Monday, March 2, 2009 NYSE Arca options trading permit (OTPs) holders will be able to route orders to the European Derivatives market using NYSE Liffe Order Routing System.

NYSE Liffe is supported by its state-of-the-art trading platform LIFFE CONNECT<sup>®</sup> and has become one of the world's top destinations for trading futures and options on commodities, currencies, equities, bonds, interest rates, indices and swaps. Access to NYSE Liffe will be provided using the same NYSE Arca FIX Customer Gateway and U.S. based SFTI infrastructure used to connect to the NYSE Arca markets.
