TO: Broker Badge Merged Order Log Users

SUBJECT: Removal of Replenishment Message from Broker Badge Output

PT 135

Effective June 1, 2007, the Broker Badge Merged Order Log Output will be modified to remove the replenishment messages for e-Quotes. Replenishment messages are displayed each time an e-Quote with reserve replenishes quotable interest after an execution. Replenishment messages are also displayed each time an e-Quote is quoted on the Display Book.
