

Trader Update

Date: March 5, 2010
Audience: NYSE Arca Options
Subject: Update on Routing Destination Tag 76

Summary

Due to the trading outage that occurred on Thursday, March 4, the software release of FIX Tag 76 will not be implemented for Monday, March 8, 2010. We will notify you regarding the re-introduction of FIX Tag 76 at a later date.

We apologize for any inconvenience that this may have caused.
