

NYSE Pillar Options MFT Request Form for File Pick-up

Instructions

Please complete this form to receive data files via the NYSE Managed File Transfer (MFT) and return it to:

NYSE-CustomerOutput@theice.com

Process:

- Information Security add IP address(es) to the allowed access list and creates login credentials
- Data Architects create requested file(s), creates automated job transfer, promotes to QA environment
- QA complete; internal approvals; files and jobs promoted to production
- Customer Output team will notify Member firm and supply access information
- Note for the naming conventions of the files: **EF** = Entering Firm **CF** = Clearing Firm **BF** = Broker Firm **MM** = Market Maker
