Exhibit A Questionnaire

Thank you for your interest in NYSE data. This questionnaire is intended to simplify user application requirements while furnishing customers and data providers with the information needed to sanction the release of market data. Please follow the instructions below and answer all questions accurately and thoroughly to ensure timely processing of your market data request(s).

Customers should complete a separate questionnaire for each market data source (or consult your NYSE account manager for further instruction). One questionnaire may include several sites utilizing a single market data vendor source. If more than one location/environment exists with different levels or controls, a separate questionnaire must be completed for that location.

All customers who wish to receive market data via a data feed are required to complete and submit this Exhibit A. In addition, NYSE requires:

1. Executed copy of the Vendor Agreement **(if currently not on file)**
2. Datafeed request(s) submitted by your data provider to NYSE on your behalf

All required documents should be executed and returned to your account manager or:

SECTION II – Non-Display Usage

Where appropriate, customers are to identify and confirm their Non-Display Use of real-time NYSE Market Data. Non-Display Use is broken down to three (3) categories:

- **Category 1:**
  Fees are applicable when a data recipient's Non-Display Use of NYSE Market Data is on its own behalf.

- **Category 2 :**
  Fees are applicable when a data recipient's Non-Display Use of NYSE Market Data is on behalf of its clients.

- **Category 3:**
  Fees are applicable when a data recipient's Non-Display Use of NYSE Market Data is, in whole or in part, for the purpose of internally matching buy and sell orders within an organization. Matching buy and sell orders includes matching customer orders on a data recipient's own behalf and/or on behalf of its clients. This category includes, but is not restricted to, use in trading platform(s), such as exchanges, alternative trading systems (ATSs), broker crossing networks, broker crossing systems not filed as ATSs, dark pools, multilateral trading facilities, and systematic internalization systems.

  Examples of Non-Display Use under the 3 categories are, without limitation

- Any trading in any asset class
- Automated order or quote generation and/or order pegging
- Price referencing for algorithmic trading
- Price referencing for smart order routing
- Operations control programs

- Investment analysis

        If yes, please explain:

SECTION VII - Reporting

1. **Reporting Obligations**
   The NYSE requires customers/vendors to submit a total inventory of each product and professional subscribers utilizing NYSE MKT Integrated Feed data. This report should be submitted by the second to last business day of each month and is required to ensure accurate invoicing by NYSE either directly to you or your client. (Please refer to NYSE's *Reporting Fact Sheet* for more information and instructions on products codes and reporting)

   Please check the box(es) corresponding to reporting requirements applicable to your use of the data:

   ☐ **INTERNAL Users (Employees)**
   Any organization providing NYSE MKT Integrated Feed data to their employees are required to report the number of users on a monthly basis. In addition, NYSE requires them to maintain records indicating the company name, installation address, number of accesses, inventory changes, type of service and the date that service began/terminated.

   ☐ **PROFESSIONAL Subscribers (Non-employees)**
   Vendors providing NYSE MKT Integrated Feed data to non-employee professional subscribers will be required to obtain NYSE approval, maintain records indicating the company name, installation address, number of accesses, inventory changes, type of service and the date that service began/terminated.
   * NYSE will use this information to invoice subscribers directly

   ☐ **NONPROFESSIONAL Subscribers**
   Vendors providing NYSE MKT Integrated Feed data to nonprofessional subscribers will be required to maintain records of the name, address, employer and job function of their nonprofessional subscribers and only report the total number of nonprofessional subscribers who accessed Real-time data at least once during that month.
   * NYSE will use this information to invoice your firm directly

   ☐ **DATA FEEDS**
   Vendors providing data feeds will be required to obtain approval from NYSE prior to providing data to subscribers. Vendors will be required to maintain records indicating the company name, installation address, data product and date that service began or was terminated.

2. **Reporting Method**
   Please select the method of reporting you will use:

   ☐ **NYSE Reporting Website**
   Report directly on the NYSE website
   * This option is highly recommended for vendors who do <u>not</u> have a large professional subscriber base.

   ☐ **File-based Reporting**
   Report to NYSE via file based reporting - VRXML file
   * This option is highly recommended for vendors who have a large professional subscriber base.

   ☐ **Third Party Reporting Facilitator**

   Explain: [   ]

Certification

I certify that the information provided in this questionnaire is accurate and the data will only be used in the manner outlined in this exhibit. I also understand that I may be asked to provide further information related to the entitlement system and/or its audit function and that failure to comply with NYSE requirements may result in the cancellation/termination of NYSE market data services and NYSE reserves the right to bill retroactively for any improprieties/discrepancies which are deemed non-compliant.
