

Exhibit A – NYSE, NYSE ARCA and NYSE MKT TRADES FOR DIGITAL MEDIA

Thank you for your interest in NYSE, NYSE ARCA and NYSE MKT TRADES FOR DIGITAL MEDIA. This questionnaire is intended to simplify user application requirements while furnishing customers and data providers (aka “vendors”) with the information needed to sanction the release of market data. Please follow the instructions below and answer all questions accurately and thoroughly to ensure timely processing of your market data request(s).

Customers need to complete a separate questionnaire for each market data source. One questionnaire may include several sites provided each site operates on the same network, utilizes a single market data vendor source and is clearly identified. If more than one location/environment exists with different levels or controls, a separate questionnaire must be completed for that location.

All customers and vendors who wish to receive market data via an uncontrolled data feed are required to complete and submit this Exhibit A. In addition, NYSE requires:

1. Executed copy of the Vendor Agreement (if currently not on file)
2. Network Diagram Overview
3. A data feed request submitted by your vendor to NYSE on your behalf for NYSE, NYSE ARCA and/or NYSE MKT TRADES FOR DIGITAL MEDIA

Be sure all names and dates are consistent across all documents/contracts. All documents/contracts can be found on our website, www.nyxdata.com. All required documents should be executed and returned to your account manager or:
