

## External Redistribution of Real-Time NYSE Proprietary Data Products

---

As used in this Policy, “NYSE Market Information” refers to NYSE Data Products (as defined in the NYSE Vendor Agreement for PDP Products) or NYSE Market Information (as defined in the NYSE Vendor Agreement for CTCQ), collectively.

Vendors may store and use at a later time NYSE Market Information within their firm or organization for internal purposes.

Vendors of NYSE Market Information that redistribute to external users in any form must obtain a standard license from NYSE permitting such use and pay the Redistribution Fees filed by [NYSE](#), [NYSE Arca](#), [NYSE American](#) and [NYSE National](#).

The NYSE reserves the right to examine data recipients’ use of real-time NYSE Market Information as set forth in the applicable vendor agreement.
