<sup>1</sup> (a) Category 1 Fees apply when a data recipient's Non-Display Use of real-time market data is on its own behalf as opposed to use on behalf of its clients. Category 2

Fees apply when a data recipient's Non-Display Use of real-time market data is on behalf of its clients as opposed to use on its own behalf. Category 3 Fees apply when a data recipient's Non-Display Use of real-time market data is for the purpose of internally matching buy and sell orders within an organization, including matching customer orders on a data recipient's own behalf and/or on behalf of its clients.

(b) Non-Display Use fees for NYSE Arca Integrated Feed include, for data recipients also paying access fees for NYSE ArcaBook, NYSE Arca BBO, NYSE Arca Trades and NYSE Arca Order Imbalances, the Non-Display Use for such products when declared within the same category of use.

(c) Non-Display Use fees for NYSE ArcaBook include, for data recipients also paying access fees for NYSE Arca BBO and NYSE Arca Order Imbalances, the Non-Display Use for such products when declared within the same category of use.

<sup>2</sup> A data recipient that is paying the Access Fee and that fails to timely complete and submit a Non-Display Use Declaration must pay the Non-Display Declaration Late Fee. With respect to the Non-Display Use Declaration that was due by September 1, 2014 and that applies to NYSE Arca Integrated Feed, NYSE ArcaBook, NYSE Arca BBO and NYSE Arca Trades, the Non-Display Declaration Late Fee applies to data recipients that have not completed and submitted the Non-Display Use Declaration by June 30, 2015, and applies beginning July 1, 2015 and for each month thereafter until the data recipient has completed and submitted the Non-Display Use Declaration. A subscriber that receives a data feed and uses the market data product for any other purpose, including if combined with Per User use, will be charged the General Access Fee. A subscriber will be charged only one access fee for each of the NYSE Arca BBO and NYSE Arca Trades products, depending on the use of that product.

- 7 This fee is waived for a Redistributor that is eligible for the Per User Access Fee if the Redistributor provides NYSE Arca Trades externally to at least one data feed recipient and reports such data feed recipient to the Exchange.
