

Complimentary NYSE Historical TAQ Data

NYSE Proprietary Market Data is offering a three-month free trial of NYSE Historical TAQ data to any firm that subscribes to the NYSE Historical TAQ product for the first time. The recent extraordinary events have seen liquidity, volatility and risk come to the forefront in equity markets - historical data offerings from NYSE allow subscribers to analyze market behavior.

- Free 3 months TAQ history (January 2, 2020 - March 31, 2020 inclusive)

Coverage

NYSE NYSE American NYSE Arca NYSE National NYSE Chicago

NYSE TAQ products provide a comprehensive historical end of day record of all data that was published by the NYSE Group Exchanges' real-time data feeds, including:

- Depth of book: All bid and offer prices and sizes.
- Top of book: Information on orders, prices and completed trades.
- Auction: Details about opening and closing auctions.

NYSE TAQ products are delivered at the end of the trading day or on a T+1 basis. NYSE TAQ [Sample Data](#) and [Client Specifications](#) are available for review.
