

ICE CONNECTIVITY

CONNECT TO GLOBAL MARKETS

SFTI CONTENT COMMUNITY: ON-DEMAND ACCESS TO 120+ VENUES

SFTI Content Community allows you to tap into liquidity across the world's prime trading venues. Whether you are looking to expand into new markets, streamline multiple direct connections to other venues or find a cost-effective solution for redundant connectivity, our flexible on-demand services offer simplified multi-venue connectivity for a competitive monthly fee.

TURN-KEY DIRECT MARKET ACCESS

Benefit from a single point of access to 120+ global markets for primary or redundant connectivity.

EXPANSION TO NEW ASSET CLASSES

Connect to 500+ services from Equities, Options, Futures, Fixed Income, FX, and other venues.

SIMPLIFIED CONNECTIVITY

Lower the administration and overhead expense of managing multiple third party direct carrier circuits.

NO ADDITIONAL INFRASTRUCTURE REQUIRED

Expand to new markets with a simple add on of services to existing SFTI ports. Benefit from rapid deployment and local, in-region SFTI support team.

EASILY TRIAL NEW MARKETS

Our resilient infrastructure and tested model enables quick, low risk market access to satisfy trader experimentation in new asset classes and geographies.

PAY AS YOU USE

Our flexible subscription model allows you to scale as your trading strategy changes.
