

Date: August 17, 2017
Audience: NYSE American, NYSE Arca and NYSE Traders
Subject: NYSE Arca - Pillar Migration Update

NYSE Arca

The next phase of the NYSE Pillar migration will commence on NYSE Arca on Monday August 21, 2017 with the launch of new NYSE Pillar Gateways and the new Arca Integrated Feed v2.1.

Firms will continue to have access to NYSE Arca via existing UGW Gateways however NYSE Pillar gateways will offer improved latency and stability.

Weekend Industry Testing

NYSE Arca will offer a weekend testing opportunity on **August 19, 2017** for firms that have been provisioned with production Pillar Gateway sessions.

Technical specifications and requisite paperwork are available at www.nyse.com/pillar.

Members are strongly encouraged to participate in the industry tests and should register by contacting connectivity@nyse.com. Test scripts will be distributed at registration.

During these tests, customers will have:

- New NYSE Pillar FIX, Binary and Drop Copy gateways
- Existing UGW gateways
- Full trading functionality on production NYSE Arca Pillar systems with production symbols
- Outbound market data via production SIP and XDP, including Arca Integrated Feed v2.1
- Away routing supported to NYSE and NYSE American
- [OATS submissions](#) to FINRA's Certification Environment

Certification Testing

The NYSE Arca Pillar Certification environment is available Monday through Friday between 4:00 am and 5:00 pm ET with live support available from 9:00 am until 5:00 pm ET. Firms may request Certification sessions by submitting a [session request form](#).
