1. Text of the Proposed Rule Change

- (a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”), proposes to amend the Bitwise Ethereum ETF (the “Trust”), shares of which are currently listed and traded on the Exchange pursuant to Rule 8.201-E (Non-Generic), to list and trade on the Exchange pursuant to Rule 8.201-E (Generic).

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1.

- (b) The Exchange does not believe that the proposed rule change will have any direct effect, or any significant indirect effect, on any other Exchange rule in effect at the time of this filing.
- (c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change is being submitted to the Securities and Exchange Commission (the “Commission”) by Exchange staff pursuant to authority delegated to it by the NYSE Arca Board of Directors.

The person on the Exchange staff prepared to respond to questions and comments on the proposed rule change is:

Senior Counsel  
NYSE Group, Inc.

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

- (a) Purpose

The Exchange proposes to amend the Trust, shares of which currently list and trade on the Exchange pursuant to Rule 8.201-E (Non-Generic),<sup>3</sup> to list and trade on the Exchange

In connection with the adoption of new NYSE Arca Rule 8.201-E (Generic), the Exchange renamed Rule

pursuant to Rule 8.201-E (Generic).

The shares of the Trust (“Shares”) will meet the requirements of Rule 8.201-E (Generic) and will be required to comply with the continued listing requirements set forth in such Rule.

(b) Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b)<sup>4</sup> of the Act. Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>5</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes the proposed rule change is designed to remove impediments to and perfect the mechanism of a free and open market and, in general, to protect investors and the public interest because it would provide for the transition of the Trust from being listed under Rule 8.201-E (Non-Generic) to Rule 8.201-E (Generic) instead. The proposed change would allow the Shares to continue listing and trading on the Exchange and permit the Trust to operate in reliance on the generic listing standards in Rule 8.201-E (Generic) instead of the terms of the Original Approval Order, thereby facilitating the continued listing and trading of an exchange-traded product that will enhance competition among market participants, to the benefit of investors and the marketplace. The Shares will meet the requirements of Rule 8.201-E (Generic) and will be required to comply with the continued listing standards set forth in Rule 8.201-E (Generic).

4. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. As discussed above, the proposed change is intended to facilitate the continued listing and trading of the Shares on the Exchange, thereby promoting competition among exchange-traded products to the benefit of investors and the marketplace.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The Exchange believes that the proposed rule change qualifies for immediate effectiveness upon filing as a “non-controversial” rule change in accordance with Section 19(b)(3)(A) of the Act<sup>6</sup> and Rule 19b-4(f)(6), thereunder.<sup>7</sup> The Exchange asserts that the proposed rule change (i) will not significantly affect the protection of investors or the public interest, (ii) will not impose any significant burden on competition, and (iii) by its terms, will not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest. Furthermore, Rule 19b-4(f)(6)(iii)<sup>8</sup> requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated. The Exchange respectfully requests that the Commission waive the five business day prior notice period.

The Exchange believes that the proposed rule change will not significantly affect the protection of investors or the public interest or impose any significant burden on competition because it is intended to promptly facilitate the listing and trading of the Shares pursuant to Rule 8.201-E (Generic), rather than Rule 8.201-E (Non-Generic). The proposed change would allow the Shares to continue listing and trading on the Exchange and permit the Trust to operate in reliance on the generic listing standards in Rule 8.201-E (Generic) instead of the terms of the Original Approval Order. The Shares will meet the requirements of Rule 8.201-E (Generic) and will be required to comply with the continued listing standards set forth in such Rule. Accordingly, this proposed rule change raises no novel regulatory issues and qualifies for immediate effectiveness as a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4.<sup>9</sup>

The Exchange respectfully requests that the Commission waive the 30-day operative delay, so that the proposed rule change may become effective and operative upon filing

with the Commission pursuant to Section 19(b)(3)(A) of the Act<sup>10</sup> and Rule 19b-4(f)(6)<sup>11</sup> thereunder. Waiver of the 30-day operative delay would allow the Exchange to promptly transition the Shares to list and trade under Rule 8.201-E (Generic), thereby providing for the continued listing and trading of the Shares on the Exchange.

For the foregoing reasons, the Exchange believes that this rule filing qualifies for immediate effectiveness as a “non-controversial” rule change. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule changes if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change will be approved or disapproved.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

The proposed rule change is not based on the rules of another self-regulatory organization or of the Commission.

concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes the proposed rule change is designed to remove impediments to and perfect the mechanism of a free and open market and, in general, to protect investors and the public interest because it would provide for the transition of the Trust from being listed under Rule 8.201-E (Non-Generic) to Rule 8.201-E (Generic) instead. The Shares will meet the requirements of Rule 8.201-E (Generic) and will be required to comply with the continued listing standards set forth in Rule 8.201-E (Generic).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. As discussed above, the proposed change is intended to facilitate the continued listing and trading of the Shares on the Exchange, thereby promoting competition among exchange-traded products to the benefit of investors and the marketplace.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>7</sup> and Rule 19b-4(f)(6) thereunder.<sup>8</sup> Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)<sup>9</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>10</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the
