**NYSE BONDS<sup>SM</sup> SYSTEM**

Execution Fee per bond for orders that take liquidity from the NYSE Bonds <sup>SM</sup> Book:	
Executions of one to ten (10) bonds	\$0.00 per bond
Executions of eleven (11) to twenty-five (25) bonds	\$0.00 per bond
Executions of twenty-six (26) bonds or more	\$0.00 per bond
Bond Liquidity Provider rebate	\$0.05 per bond
Bond Liquidity Provider rebates are subject to a \$50.00 maximum rebate per execution	

Liquidity Provider Incentive Program: Daily rebate payable to the User that is the Member or Member Organization based on the number of Qualifying CUSIPs on the NYSE Bonds Book for which a Unique User meets the Quoting Requirements below:

Number of Qualifying CUSIPs	Daily Rebate
400 - 599	\$500
600 - 799	\$1,000
800 or more	\$1,500

For purposes of the Liquidity Provider Incentive Program, the term 'Unique User' means a User, a trading desk of a User, or a customer of a User, on whose behalf a Member or Member Organization enters quotes or orders under a Unique User ID that such User requests from and is provided by the Exchange. At the request of a User that is a Member or Member Organization, the Exchange will assign a separate Unique User ID to each trading desk or customer of such User. A User may elect one or more Unique User IDs.

*Quoting Requirements:* For a CUSIP to be included in the daily rebate calculation based on a Unique User ID:

- (1) A Unique User must provide continuous two-sided quotes for a minimum of hundred (100) bonds per side of the market for at least eighty percent (80%) of the day's Core Bond Trading Session;
- (2) Such CUSIP must be among the CUSIPs in a particular Maturity Range for which the Unique User's Maximum Daily Average Spread (in basis points) is:

<b>Maturity Range</b>	<b>Maximum Daily Average Spread (in basis points) of all CUSIPs in Maturity Range</b>
Less than 7 years	Equal to or less than 15
7 years but less than 12 years	Equal to or less than 10
12 years or more	Equal to or less than 10

and

- (3) Such CUSIP must be among the CUSIPs in a particular Maturity Range for which the Unique User's Minimum Daily Average Modified Duration is:

<b>Maturity Range</b>	<b>Minimum Daily Average Modified Duration of all CUSIPs in Maturity Range</b>
Less than 7 years	Equal to or greater than 3.25
7 years but less than 12 years	Equal to or greater than 6.75
12 years or more	Equal to or greater than 14.50

Each day, the Exchange will aggregate the maximum number of CUSIPs across each Maturity Range that a Unique User ID meets the requirements in (1), (2) and (3) to determine the daily rebate based on the Unique User ID. The Exchange will calculate each Unique User ID's quoting performance on a daily basis.

Agency Order Incentive Program: A monthly rebate of \$4,000 payable to a User that submits an average of 400 resting limit orders of any size per trading day during the month and that are submitted as Agency Orders by the User. An Agency Order is any order submitted by a User that it represents as agent on NYSE Bonds. A trading day is any day that NYSE Bonds is available for trading, as determined by Securities Industry and Financial Market Association. By way of example, assume a User submits 10,000 orders during a month that has 21 trading days. Of the 10,000 orders, if 8,500 orders are resting limit orders that are represented as agent by the User, the average for the purposes of the rebate would be 405 orders per trading day (8,500 orders / 21 trading days). In this instance the User will have met the average orders per day requirement and would qualify for the rebate.

## Co-Location Fees

### Definitions

The following definitions are for purposes of Co-Location Fees only:

An “Affiliate” of a User is any other User or Hosted Customer that is under 50% or greater common ownership or control of the first User.

“Aggregate Cabinet Footprint” of a User or Hosted Customer is (a) for a User, the total kW of the User’s cabinets, including both partial and dedicated cabinets, and (b), for a Hosted Customer, the total kW of the portion of the Hosting User’s cabinet, whether partial or dedicated, allocated to such Hosted Customer.

A “Hosted Customer” means a customer of a Hosting User that is hosted in a Hosting User’s co-location space.

A “Hosting User” means a User of co-location services that hosts a Hosted Customer in the User’s co-location space.

A “User” means any market participant that requests to receive co-location services directly from the Exchange.

### General Notes

1. A User that incurs co-location fees for a particular co-location service pursuant to this Price List shall not be subject to co-location fees for the same co-location service charged by the Exchange’s affiliates NYSE American LLC (NYSE American), NYSE Arca, Inc. (NYSE Arca) and NYSE National, Inc. (NYSE National).

2. To qualify for a Partial Cabinet Solution bundle, a User must meet the following conditions: (1) it must purchase only one Partial Cabinet Solution bundle; (2) the User and its Affiliates must not currently have a Partial Cabinet Solution bundle; and (3) after the purchase of the Partial Cabinet Solution bundle, the User, together with its Affiliates, will have an Aggregate Cabinet Footprint of no more than 2 kW.

- A User requesting a Partial Cabinet Solution bundle will be required to certify to the Exchange (a) whether any other Users or Hosted Customers are Affiliates of the certifying User, and (b) that after the purchase of the Partial Cabinet Solution bundle, the User, together with its Affiliates, would have an Aggregate Cabinet Footprint of no more than 2 kW. The certifying User will be required to inform the Exchange immediately of any event that causes another User or Hosted Customer to become an Affiliate. The Exchange shall review available information regarding the entities and may request additional information to verify the Affiliate status of a User or Hosted Customer. The Exchange shall approve a request for a Partial Cabinet Solution bundle unless it determines that the certification is not accurate.

- If a User that has purchased a Partial Cabinet Solution bundle becomes affiliated with one or more other Users or Hosted Customers and thereby no longer meets the conditions for access to the Partial Cabinet Solution bundle, or if the User otherwise ceases to meet the conditions for access to the Partial Cabinet Solution bundle, the Exchange will no longer offer it to such User and the User will be charged for each of the services individually, at the price for each such service set out in the Price List. Such price change would be effective as of the date that the User ceased to meet the conditions.

In addition, a User that changes its Partial Cabinet Solution bundle from one option to another will not be subject to a second initial charge, but will be required to pay the difference, if any, between the bundles' initial charges.

3. The initial and monthly charge for 2 bundles of 24 cross connects will be waived for a User that is waitlisted for a cage for the duration of the waitlist period, provided that the cross connects may only be used to connect the User's non-contiguous cabinets. The charge will no longer be waived once a User is removed from the waitlist.

- If a waitlist is created, a User seeking a new cage will be placed on the waitlist based on the date a signed order for the cage is received.
- A User that turns down a cage because it is not the correct size will remain on the waitlist. A User that requests to be removed or that turns down a cage that is the size that it requested will be removed from the waitlist.
- A User that is removed from the waitlist but subsequently requests a cage will be added back to the bottom of the waitlist, provided that, if the User was removed from the waitlist because it turned down a cage that is the size that it requested, it will not receive a second waiver of the charge.

4.
